

Beckingham Community Planning Group

Minutes of the meeting of Beckingham Community Planning Group held on Thursday 25th November 2010 at 7.00 pm in The Pack Horse.

Present: Julia Wallace (Chairman) “Chair”
 Andrew Young (Secretary) “Sec”
 Andrea Thompson “AT”
 James Keane
In attendance: Mikki Young

1. Apologies for Absence

Apologies had been received from Sue Dunne and Karen Ashworth.

2. Notes of the Previous Meeting

There were no comments on the accuracy of the notes of the meeting held on 26th October.

3. Update on Play Park Project

AT gave an update on the project. The Group noted the project was working separately from the Group and update did not need full notes in the Group minutes.

4. Follow On Events for Young People

AT said the event, a Christmas party, was now set for 10th December. It had had to be put back a week because that was the only day they could get the disco. It was unfortunate that it was the same evening as carol singing.

5. Finances

The Chairman confirmed Lloyds TSB would offer free current account banking but would not offer online banking because they required two signatories. It was agreed that if the Group opened such an account it would need more than two members as signatories from whom any two would sign cheques.

6. Development of Questionnaire

The Group discussed the third draft. As well as some points of detail, there was a feeling that the questionnaire was too long. Sec will produce a new draft aiming at a maximum of 8 pages including introductions etc. Mikki Young offered to write a first draft of the opening.

Action: Fourth draft and draft covering letter attached - suggestions for shortening will be made at the meeting.

7. Date and Time of Next Meeting

To be arranged for early in the New Year.

Now arranged for Tuesday 25th January at 7.00pm in the Pack Horse.

Agreed a True Record J. Wallace 25th January 2011
